

Samaritan Daytop Village

Admissions Center

24/7, Centralized Assessment & Intake for Treatment

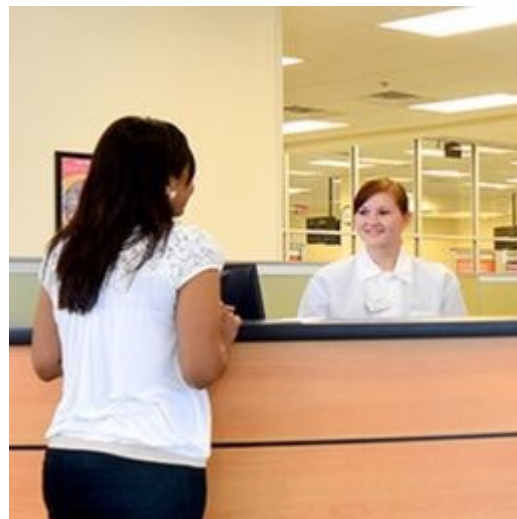

Samaritan Daytop Village presents an Admissions Center that is **100% focused on the intake process** for individuals requiring substance use and mental health treatment. Through our centralized approach, new patients are assessed – *day and night, in person, and on the telephone* – for suitability in one or more of Samaritan Daytop Village programs throughout New York City, Long Island, and the lower Hudson Valley.

Our highly trained team of behavioral health professionals provide reliable, professional triage and assessment for complex or crisis cases. The round-the-clock system is swift and efficient for individuals, their family members, and third-party referral partners.

Admissions Services

Our Admissions team provides high-quality evaluations for the continuum of care offered at Samaritan Daytop Village. Through our person-centered approach, we strive to meet the varied healthcare needs of our patients. Services include:

- Admissions and clinical reviews for withdrawal management and treatment
- Expert-level assessment and recommendations
- Clinical triage and response, including crisis cases
- Response to questions about the agency's residential and outpatient care and available community services
- In-person appointments during business hours and telephone consultation after hours
- Coordination with third parties for new in-patient referrals and requests
- Insurance pre-certification and authorization
